PREFACE

This book is a result of compilation from the authentic material from the webs. It is results of short browsing. The main teaching objective in our classroom is to provide the students with the competence on designing a good lesson plan to teach ESP for academic purposes and occupational purposes at any level according to its context.

We fully intend that this book is only to facilitate student in learning process as guideline in studying General English. By this opportunity, we would like to extend our sincere thanks all the authors of the materials and the websites which publish them. I say sorry if this book has not been completed yet.

Hopefully by arranging this book, students can get some benefits. They are able to use English in four skills: speaking, reading, writing and listening. We apologize if there are some weaknesses. Therefore, We need some suggestions for next book.
